

**ANDREW MACDONALD**  
**Chief Executive Officer**  
**Cytopia Ltd**

Mr Macdonald is the Chief Executive Officer of publicly listed Cytopia Ltd, a Melbourne based company focused on the development of small molecule drugs for the treatment of cancer.

Previously holding the role of Chief Financial Officer at Biota Holdings, he has over twenty years commercial experience working across the biotechnology, technology and finance sectors.

Mr Macdonald has an extensive background in managing national and international operations and corporate activities including partnership deals, mergers and acquisitions and capital raising activity.

He has held a variety of executive management positions with companies including Willis Ltd, Richard Oliver and Sheringa Networks and has been based in the USA and the UK at different times of his career.

As well as Managing Director of Cytopia, Mr Macdonald has been a director at Verva Pharmaceuticals and is currently on the board of a number of private investment companies. He is a CPA, with Business and Science degrees.
