## **Bardia Akbari**

### **Global Head Partnering Inflammation and Autoimmune Roche**

Bardia Akbari serves as Global Alliance Director at Roche Pharma Partnering in Switzerland, overseeing many of the key global alliances focused on inflammatory disease.

His previous positions include: Global Study Manager and Clinical Operations Manger at Roche. Whilst conducting his post-doctoral fellowship at Rutgers he additionally ran the US clinical trials within Roche Medical Affairs.

As such he has gained extensive experience in global responsibility of planning and carrying out clinical development programs for new compounds to treat auto-immune diseases.
