## **David Theriault** **Business Development Leader, ASEAN** **Dow Chemical**

David Theriault is responsible for identifying and analysing new business opportunities/partnerships in the areas of Industrial and Agricultural Bioscience. Based in Sydney, David covers the Asia Pacific region, with a focus on emerging technologies in key areas of interest for Dow including Health, Energy, Infrastructure and Consumerism.

David joined Dow Australia in 1984, with roles in commercial management and marketing for the Asia Pacific region.

He moved to Beijing in 2000 as GM for Dow AgroScience, Greater China. Returning to Australia in 2006, he took up the position of GM for Dow AgroScience, ANZ before moving to his current role in mid-2007.

Mr. Theriault holds a Bachelor of Science in Biology from Simon Fraser University, Vancouver, Canada and a Graduate Diploma, Plant Protection from the University of Queensland
