Dianne E. Jackson-Matthews, BSc (Hons), PhD, RAC, Deputy Group Director of Regulatory Affairs for the ERA Consulting Group

Dr. Jackson-Matthews is Deputy Group Director of Regulatory Affairs for the ERA Consulting Group, and Director of ERA Consulting (Australia) Pty Ltd in Brisbane, Australia. Dianne has over 20 years experience in product development, regulatory strategy and writing submissions, spanning the areas of drugs, biotech/biologics and cell/gene-based therapies.

Prior to joining ERA in 2001 as the Director of the Washington DC office, Dianne was the Director of Regulatory Affairs at Unigene Laboratories, Inc., New Jersey, USA, where she gained extensive development experience over a 12 year period in the GMP production and testing of biotechnology products. She also has 6 years experience with in vitro diagnostic devices in the USA. Dianne has experience in development of regulatory and technical strategies, and conducts regulatory agency interactions worldwide.
