## Dr Susan Pond AM

**Dr Susan Pond AM** has a strong scientific and commercial background having held executive positions in the biotechnology and pharmaceutical industry for twelve years.

Dr Pond has specialist clinical credentials in internal medicine, clinical pharmacology and clinical toxicology and was a faculty member of the Department of Medicine at the University of California San Francisco for six years and the University of Queensland thereafter, where she was appointed to a Personal Chair.

Dr Pond has a very extensive publication and patent filing record. She has held many Board positions including as Chairman of the Australian Drug Evaluation Committee (ADEC), Executive Director of Johnson & Johnson Pty Limited and non-executive Director & Chairman of AusBiotech Limited.

Currently, Dr Pond serves on the Board of Governors of the Centenary Institute, the Scientific & Commercialisation Board of the Australian Institute for Bioengineering & Nanotechnology and the Board of Trustees for Australia's Virtual Herbarium.
