## Evan B. Siegel, Ph.D.

Dr. Siegel founded GZP in 1999 from his consulting firm, Ground Zero Strategics, Ltd. He served as Consultant and then Chief Executive Officer of OXO Chemie Inc. from 1997 to 1999.

Prior to that he was Director of Regulatory Consulting Services and Principal Regulatory Scientist for Quintiles, Inc., in Research Triangle Park, North Carolina.

Evan Siegel

Dr. Siegel has held positions as a Toxicology Reviewer at the US Food and Drug Administration and Food and Drug Branch, California Department of Health Services and, at the latter, was Supervising Toxicologist and Chief of Special Services.

He has served in regulatory affairs and executive positions in both the pharmaceutical industry (Astra, Syntex, Medical Science Systems and OXO Chemie) and trade association environments.

He attended the Waksman Institute of Microbiology where he earned both his Master and Doctor of Philosophy degrees in Virology and Molecular Biology, followed by Postdoctoral training in Medical Genetics and Genetics Counseling at the University of North Carolina, Chapel Hill School of Medicine.

He is an Adjunct Professor in the Centre for Integrated Preclinical Drug Development, University of Queensland, Australia.
