Research
Merck & Co., Inc.

Dr. Greg Wiederrecht is Vice President & Head of External Scientific Affairs (ESA) at Merck & Co., Inc. Merck discovers, develops, manufactures, and markets a broad range of innovative products to improve human and animal health, directly and through its joint ventures. Dr. Wiederrecht manages a worldwide group of 73 scientists and administrators in ESA who are responsible for the search and evaluation activities associated with all

licensing, partnering, and acquisition opportunities that Merck considers each year.

Dr. Wiederrecht holds a B.S. degree from the University of California, Irvine and a PhD in biochemistry from M.I.T. Before joining Merck in 1989, he was a Helen Hay Whitney Post-Doctoral Fellow and an American Cancer Society Senior Post-Doctoral Fellow at Caltech.
