Lawrence Gozlan, CEO & Founder, Scientia Capital

Lawrence Gozlan is the CEO and founder of Scientia Capital, a specialised global investment fund focused exclusively in life sciences.

Prior to this, Lawrence was responsible for the largest biotechnology investment

portfolio in Australia as the institutional biotechnology analyst at QIC, a funds manager with over \$50 billion under management. He was also the senior biotechnology sell-side analyst in the equities team at Foster Stockbroking, and has had senior corporate finance experience advising life science companies at Deloitte.

Lawrence is an investment advisor to US investment fund Innovis Investments LLC, is a non-executive director of Avexa (ASX:AVX) and Teleso Technologies (ASX:TEO), and advisor to the Smile Foundation. He has presented at numerous international healthcare conferences and has been featured in various published media as an expert in investing in life sciences. He holds a Bachelor of Science with Honours in microbiology and immunology from the University of Melbourne.
