Leigh Farrell BSc (Hons), FAICD, PhD Vice President, Business Development

Dr Leigh Farrell was appointed Vice President, Business Development on 24 April 2006.

Prior to joining Biota, Dr Farrell spent approximately 4 years as an Associate Director at GBS Ventures Partners Limited, a specialist Life Sciences Venture Capital Fund.

Dr Farrell previously held the positions of Research Manager at Johnson & Johnson Research Pty Ltd and Chief Executive Officer of Gene Shears Pty Limited.

Dr Farrell has extensive international experience in corporate finance, business development, licensing, relationship management and intellectual property portfolio management in the biotechnology and pharmaceutical industries.

He is currently the Chairman of the Competitive Business Environment Working Group established under the 2007 Biotechnology Strategic Development Plan for Victoria.
