

**Dr Niall Tebbutt**  
**Senior Medical Oncologist**  
**Ludwig Oncology Unit, Austin Health**

Dr Niall Tebbutt is a senior medical oncologist at the Ludwig Oncology Unit, Austin Health, Melbourne. He trained at Oxford University, UK and Melbourne University and obtained a PhD at the Ludwig Institute in 2001.

He leads an active clinical research programme in gastro-intestinal cancer where the Austin is consistently a major recruiting site in Australia. He has also established the clinical trials unit at the Northern Hospital. He has initiated or designed a number of studies ranging from phase I to phase III including the largest phase III study co-ordinated by the Australasian GI Trials Group (AGITG). He is a member of the

AGITG SAC and was elected to the Board of Directors in 2009.

He has published over 45 peer reviewed publications principally related to gastro-intestinal cancer. He has been awarded a Viertel Clinical Investigatorship and was a co-investigator on a NHMRC colorectal cancer programme grant in 2008.
