

Dr Peter Havel
Director, Medical Health Services (MHS) Group
TÜV SÜD Japan

Dr Peter Havel was born in Munich, Germany. He studied Electrical Engineering.

He started his career in 1996 as a scientist in functional brain research at the Technical University of Munich. During this period, he developed several medical devices for neuromuscular stimulation, human motor function analysis and navigation systems for minimum invasive stereotactic brain surgery.

In 2002, he joined TÜV SÜD Product Service GmbH and became an auditor and expert for Functional Safety.

In 2005 he was appointed as Executive Support to TÜV SÜD AG Board of Management, and since 2006, he is the Director of the Medical Health Service Group of TÜV SÜD Japan Ltd.
